2.1.5. The Vice-President/GMTA Auditions and the Vice-President/MTNA Competitions must submit schedules for all the judges, to include 30 minutes for orientation and 15 minutes for deliberation, to the GMTA President. The GMTA President will then determine the number of hours judged for each judge for the various competitions. The GMTA President will submit this information on the Judges' Compensation Form to the Executive Director. The Vice-Presidents should notify the judges that their checks will be mailed to them by the GMTA Executive Director after the conclusion of the event.

2.1.6. The Vice-President/GMTA Auditions and the Vice-President/MTNA Competitions should review the judges' fees/compensation report biennially in even numbered years. Recommendations should be presented to the FAC, which is responsible for fiscal oversight.

The State Auditions guidelines will instruct the judges to select approximately 75% of the students in each grade to receive recognition; of those 75%, 1/3 should receive OP, 1/3 AE and 1/3 HM. Local and Regional Auditions, judges may designate as many OP, AE, and HM awards as they deem appropriate, with the following stipulations: only those receiving OP may advance to the Regional and State Auditions; no more than 10 OP's per grade level may be awarded at Local Auditions, and no more than 7 OP's per grade level may be awarded at Regional Auditions.

2.3. Names of student Winners will be published in the GMTA Newsletter and on the GMTA Website. Requests for other information (i.e., names, addresses, telephone numbers, etc.) regarding GMTA/MTNA participants will not be honored. The Vice-President/GMTA Auditions and the Vice-President/MTNA Competitions are responsible for informing their staff of this policy and for its enforcement.

17.2. GMTA offers the following types of membership:

- **Active Membership:** This membership is open to all individuals professionally engaged in any field of musical activity. Active members are entitled to participate in all GMTA/MTNA activities and programs, to vote, to hold office, and to receive the official publications of GMTA. Recent college graduates will be granted half price state membership for one year, provided they join GMTA within one year of graduation.
- **Senior Membership:** Members 70 years of age or older will receive a senior discount of 25% as of June 30, 2001. Those members who had been receiving a 50% discount prior to that date will continue to do so. Senior membership carries all of the privileges of Active membership.
- **Collegiate Membership:** This membership is open to all college music students who are also members of an affiliated state association and a collegiate chapter if available. Collegiate members shall be entitled to attend programs of GMTA and to receive the official GMTA publications, but shall not have the right to vote, hold office, or enter students in GMTA/MTNA competitions. The collegiate membership year is October 1 to September 30.
- **Patron Membership:** This membership is open to all individuals who are not professionally engaged in any field of music activity, but who wish to support the programs of GMTA/MTNA. A member must send written notice to the MTNA Executive Director for this class of membership to be activated. Retired members may vote, but cannot hold elective office at the division or national levels or enter students in MTNA competitions. A retired member must also be a member of a state affiliated association. Retired members will receive a discount of 50% as of August 31, 2010.

- **Honorary Lifetime GMTA Membership:** This membership is a special honor given to members with exceptional service to GMTA as well as MTNA. Any GMTA Teacher of the Year who becomes an MTNA Teacher of the Year will automatically become an Honorary Lifetime Member of GMTA. Members are also eligible for consideration for lifetime membership if they demonstrate exemplary service to the Association and to the music teaching profession and meet one of the following requirements: 1) served as an MTNA officer; 2) been designated as an MTNA Foundation Fellow. The presentation of honorary lifetime membership must be approved by the FAC and the Executive Board.

## **APPENDIX A-GMTA POSITION ON HOME STUDIOS**

### **1993 Policy Statement**

The Georgia Music Teachers Association supports the principle of independent music teachers instructing in the home. At a time when many school districts are dropping music programs, the service the private music teacher offers is especially important to the cultural development of a community. Our primary concern is the musical education of our students. We feel the home provides a safe learning environment and is a convenience to students and parents. We make every effort to cooperate with the neighborhood and uphold its standards, and we feel that we are providing a necessary service to the community.

### **1986 Policy Statement**

The Georgia Music Teachers Association affirms and endorses the right of independent music teachers to teach music in their homes.

GMTA takes the position that private music teaching in the home is not a business but is an educational occupation, and as such, teachers performing this service

should not be required to obtain business licenses nor should they be in violation of any residential zoning ordinances by teaching one on one in their homes.

Private teachers should assume the responsibility for maintaining the neighborhood standards.

Reasons to support this policy:

- Teachers have taught in their homes for over a century and are preserving a vital musical heritage by teaching the great musical literature of the ages.
- The services of the independent music teacher are unavailable in the public schools but are a necessary supplement for their successful music programs.
- Pre-college students planning to pursue a musical career in college must avail themselves of the services of the private music teacher.
- As a school is located in a residential community for the safety and convenience of students and parents, so must the private music teacher be located there.
- The cost of private music lessons would be prohibitive if teachers were located in the business district. Only wealthy students would be able to afford lessons.

*This policy statement was drawn up by Joan Broadhurst, Independent Music Teachers Forum Chair, Janice White and Mary Brown on October 15, 1986, revised October 22, 1986 and approved at the January 1987 GMTA Executive Board Meeting.*

#### **APPENDIX B-FEE STRUCTURE FOR NON-MEMBER PARTICIPATION IN GMTA AUDITIONS (Updated August 2015)**

In order to be fully compliant with the April 3, 2014 Federal Trade Commission (“FTC”) Antitrust settlement with Music Teachers National Association, GMTA is offering access for competitive events to non-members of Georgia Music Teachers Association and its affiliates. The FTC’s rationale for this is the belief that “for music teachers, the success of students in these competitions can elevate the teachers’ reputations and marketability” (ATCG, pg. 8).

GMTA and its affiliates sponsoring a competition may charge non-members and their students higher fees than those of its members and still be FTC antitrust compliant. However, “the fee differential should not be so high that it effectively compels a teacher to join MTNA, GMTA, or its local affiliates” (ATCG, pg. 9). The GMTA Executive Board approved on April 18, 2015 a schedule of fees for non-members who wish to participate in GMTA affiliated events. Note: Advertisement of this fee schedule or specific competition events to non-members is NOT required by GMTA or its local affiliates by the FTC.
