## GMTA Auditions

GMTA Auditions take place each spring for students in piano, strings & classical guitar, brass & woodwinds, and voice. Pre-College Piano Auditions (grades 4-11) consist of three rounds (Local, Regional, and State). All other categories audition only at the state level. GMTA Auditions give students an opportunity to compete with other students and receive valuable feedback from judges. Select winners will be given the opportunity to perform at our annual conference. All audition rules, applications, and contact information for audition chairs may be found on our GMTA website (<http://www.georgiamta.org>).

---

## MTNA Competitions

MTNA Competitions are part of the National Association and completely separate from GMTA Auditions. Winners of the MTNA Competitions for the State of Georgia in the fall will proceed to the Southern Division in January (nine states). Winners of Southern Division Competitions will compete at the NTMA National Conference in March. All competition rules, applications, and contact information for competition officials may be found on the MTNA website (<http://www.mtna.org/programs/competitions>).

## Grant Opportunities

The Georgia Music Teachers Association will award \$400 GMTA Grants to active or collegiate members of GMTA. Awarded grants can go toward student music instruction or professional development (including fees for school institutions or conference registrations for collegiate members). Any GMTA active or collegiate member is eligible to apply for a GMTA Grant. Grants are awarded each year at the November GMTA State Conference. GMTA members can be awarded a GMTA Grant only once in a five-year period. The application deadline for a GMTA Grant is the 2nd Monday in September at 11:59 PM. For additional information and applications, visit the GMTA website (<http://www.georgiamta.org/memberResources-grantsAwards.php>).

## GMTA Conference

In November GMTA hosts a state conference at one of our state colleges or universities. We feature a Conference Recitalist, Pedagogy Headliner, and Commissioned Composer each year. Several of our Georgia's Own presenters will present sessions on various topics. The Conference provides a great opportunity to acquire new knowledge, visit with other music teachers, and meet new music teachers in your area.
