Post Office Box 444

October 31, 1990

Dear GMTA Colleagues and Guests:

Welcome to Kennesaw State College! On behalf of our President, Dr. Betty L. Siegel, the administration, faculty and students, I want to express our pleasure in hosting this year's GMTA convention.

Kennesaw State is the largest senior college in the state, with over 10,000 students enrolled this Fall, but the Department of Music and Performing Arts credits its success to the individual attention given to each student and to the small-college atmosphere we continue to promote within the department family.

The Department is an accredited institutional member of NASM and has a music staff of nine full-time and twelve part-time faculty, offering music degrees with performance, music education and liberal arts emphases.

We value the work of GMTA and the tremendous contribution the membership makes to the quality of life in our state, and we are proud of the long friendship between the College and the Association.

Again, we welcome you, and we hope you will return again and again.

Sincerely,

Dr. R. Wayne Gibson, Chair
Department of Music and Performing Arts
